This document sets out the financial charges applicable for certain breaches or incidents during a guest's stay. It complements the House Rules document, which governs behaviour and coexistence within the establishment.

Charges Table

Item	Amount
Loss of the room's electronic key	€5.00
Use of an extra bed beyond the one booked/paid for	Cost of the bed according to the current rate
Use of a bunk or bed that is not the one assigned	€20.00
Late check-out between 11:00 and 12:00	Loss of the key deposit (€5.00)
Remaining on the premises after 12:00 without having checked out	€20.00
Damage caused to the property, furniture, or facilities (excluding normal wear and tear)	Cost of repair or replacement + possible expulsion
Non-payment of contracted services or amounts owed for the use of the facilities	Outstanding amount + possible expulsion

Notes

Repair/replacement costs and the extra-bed charge depend on the specific damage or the rate in force at the time of the stay; they are not set here as fixed amounts.

Late check-out has two tiers: from 11:00 to 12:00 results in loss of the key deposit (€5.00); after 12:00, management may also apply the €20.00 overstay charge.

Any charge applied will be communicated to the guest or group leader before payment is collected.

Failure to pay any of these charges may also constitute a breach of the Hostel's House Rules, and may lead to expulsion from the establishment.
